

EVO-STIK Expanding Foam Gun Cleaner

Polyurethane Foam Gun Cleaner

Date: 27 June 2019

Fact Sheet No.: TDS00120

YOUR SMART ADVANTAGES

- Designed to clean foam guns
- Removes freshly applied foam
- Allows re-use of expensive foam guns

USES

EVO-STIK Expanding Foam Gun Cleaner removes stains and residue of uncured 1 and 2 component polyurethane foams. It is also suitable for cleaning the inside of polyurethane foam guns.

PRODUCT CHARACTERISTICS

Colours	Transparent
Form	Liquid Aerosol
Product Codes	30811864 Transparent 500ml x 12 30614707 Expanding Gun Applied Foam Filler Starter Kit
Storage/Shelf Life	Store for up to 12 months from the date of manufacture when stored in original, unopened packaging under cool, dry conditions within the temperature range of +5°C to +25°C and out of direct sunlight. Protect from frost. Store canister in an upright position.

TYPICAL PERFORMANCE DATA (Approx.)

Application Temperature	+10°C to +35°C
-------------------------	----------------

DIRECTIONS FOR USE

IMPORTANT: Before using EVO-STIK Expanding Gun Foam Cleaner, refer to the relevant Health & Safety Data Sheet, available at www.bostik.co.uk.

PREPARATION

1. Remove any traces of uncured foam residue from the applicator gun.
2. With the canister in the upright position and at arm's length, secure the nozzle to the gun valve ensuring the spray head is facing away from you.
3. Hold the can inverted and push down onto the spray nozzle to operate the aerosol, directing the spray only onto areas, which require cleaning.

APPLICATION

Gun Cleaning

4. Allow EVO-STIK Expanding Gun Foam Cleaner to penetrate thoroughly. Flush the cleaner through the gun for at least 5 seconds ensuring the gun outlet tip is thoroughly cleaned.
5. Repeat procedure a few times for the best results.

To Remove Fresh Foam

6. Attach spray nozzle to can.
7. Turn can upside down and spray generously, directly onto the foam.
8. Wipe off with a cloth.
9. To disconnect, place the canister upright at arm's length with the gun pointing away from the body, unscrew the canister whilst pressing the trigger to ensure there is no build-up of the aerosol gas. Collect all waste material into a suitable container and dispose

of in a safe manner. Do not attempt to clean applicator guns that are blocked with cured PU Foam.

PRECAUTIONS IN USE

Protective gloves and safety glasses are recommended.

EVO-STIK Expanding Foam Gun Cleaner can dissolve or discolour surfaces such as lacquer, paint, plastics and textiles. Always test on a concealed area first.

For any application not covered please contact Technical Services on +44 (0)1785 272625 or visit www.bostik.co.uk for advice.

Recommendations and suggestions are for guidance only, since conditions of use are completely beyond our control.

For health and safety instruction, first aid measures and spillage and disposal instructions, see separate Health and Safety Data Sheet for EVO-STIK Polyurethane Foam Cleaner, available at www.bostik.co.uk.

This disclaimer is issued by Bostik Limited ("the Company") and applies to the use of any products supplied by the Company ("the Products") displayed on this Technical Data Sheet ("TDS"). Please read this disclaimer carefully before using any of the Products. Using this TDS and/or the Product constitutes your acceptance of this disclaimer. Its contents shall prevail over any directions of use and any disclaimer and/or exclusion or limitation of liability of the Company which may appear on the packaging of the Products.

This disclaimer sets out the entire financial liability of the Company (including any liability for the acts or omissions of its employees, agents and sub-contractors) to any user of the Products ("Product User") in respect of any use made or resale by the Product User, of any of the Products in this TDS.

This disclaimer does not affect the Company's liability for death or personal injury arising from the Company's negligence in respect of the Products, nor its liability for fraud, or fraudulent misrepresentation, nor any other liability which cannot be excluded or limited under applicable law.

The Company's total liability however arising and whether caused by tort (including negligence and breach of statutory duty), breach of contract or otherwise, arising in connection with the use made or resale by the Product User of any of the Products in this TDS shall be limited to the price paid for the Product by the Product User.

The Company shall not be liable to the Product User for any pure economic loss, loss of profit, loss of business, depletion of goodwill or otherwise, in each case whether direct, indirect or consequential, or any claims (including in respect of personal injury insofar as not caused by the Company's negligence) for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with the use made or resale by the Product User of any of the Products in this TDS.

The Company shall not be liable to the Product User in relation to any loss for any use which is inappropriate or use which is otherwise than in accordance with the relevant instructions for use of the Products in this TDS or on the Product. Product Users are advised to confirm the suitability of the Products by their own tests.

This TDS covers just one of a large range of products supplied by the Company.

Full information on these products and advice on application is freely available from our fully trained staff throughout the country. In addition, specialist technical advice is available from our Technical Services Department. This TDS supersedes all previous TDSs relating to the Products, and users of it must ensure that it is the current issue. Destroy all previous TDS, and if in any doubt, contact the Company, quoting the code number in the top right hand corner on the front of this document.
